The Grantee and the State of North Carolina shall have no obligation for the upkeep or maintenance of the Protected Property.
- 4.3. Transfer of Protected Property. The Grantor agrees to incorporate by reference the terms of this Easement in any deed or other legal instrument by which they transfer or divest themselves of any interest, including leasehold interests, in the Protected Property. If a court with jurisdiction determines that a violation may exist or has occurred, the Grantee may obtain an injunction to stop the violation, temporarily or permanently. The parties agree that a court may issue an injunction or order requiring the Grantor to restore the Protected Property to its condition prior to the violation, as restoration of the Protected Property may be the only appropriate remedy. The failure of the Grantee to discover a violation or to take immediate legal action shall not bar it from doing so at a later time. In any case where a court finds no such violation has occurred, each party shall bear its own costs.

4.8. Rights of the State of North Carolina. In the event that the Grantee fails to enforce any of the terms of this Conservation Easement, as determined in the discretion of the NCDA&CS, the said Commissioner of Agriculture and their successors and assigns shall have the right to enforce the terms of this Conservation Easement through any and all authorities available under federal or state law.

The State of North Carolina shall have the right to recover any and all administrative and legal costs from the Grantee, including attorney's fees or expenses associated with any enforcement or remedial action as it relates to the enforcement of this Conservation Easement.

Grantor agrees to indemnify and hold the Grantee, and the State of North Carolina harmless from any and all cost, claims or liability, including but not limited to reasonable attorneys' fees arising from any personal injury, accidents, negligence or damage relating to the Protected Property, or any claim thereof, unless due to the negligence of Grantee or its agents, in which case liability shall be apportioned accordingly. Grantor is responsible for obtaining liability insurance covering the Property with limits deemed necessary by Grantor, in its sole discretion.

Grantor agrees to indemnify and hold Grantee and the State of North Carolina harmless from any and all costs, claims or liability, including but not limited to reasonable attorney fees arising from any personal injury, accidents, negligence or damage relating to the Protected Property, or any claim thereof, unless due to the negligence of Grantee or its agents, in which case liability shall be apportioned accordingly.

## ARTICLE VI. MISCELLANEOUS

- 6.1. Recording. Grantee shall record this instrument in a timely fashion in the official record of \_\_\_\_\_ County, North Carolina, and may re-record it at any time as may be required to preserve the rights of the Grantee, the State, and the United States under this Easement.
- 6.2. Survival of Terms/Merger of Fee and Easement. The Grantor and Grantee agree that the terms of this Easement shall survive any merger of this fee and easement interest in the Protected Property. In the event the Grantee

becomes owner of the Protected Property, or any portion thereof, Grantee shall transfer any right title and interest in this Easement to a third party in accordance with sections 4.4.

- 6.3. Amendment of Easement. This easement may be amended by a written instrument executed by the Grantee and the Grantor and approved by the Commissioner of Agriculture. Any such amendment shall be consistent with the Statement of Purpose of this Conservation Easement and with the Grantee's Conservation Easement amendment policies, and shall comply with 26 U.S.C. § of the Internal Revenue Code or any regulations promulgated in accordance with that section. Any such amendment shall be recorded. Grantee shall give notice of any amendment to and secure approval from, the North Carolina Department of Agriculture and Consumer Services prior to signing and recordation and, must receive written consent prior to awarding the easement.
- 6.4. Procedure in the Event of Termination of Easement. If it is determined that conditions on or surrounding the Protected Property change so much that it becomes impossible to fulfill the conservation purposes of this Easement, a court with jurisdiction may, at the joint request of both the Grantor and the Grantee and with prior written consent of the State of North Carolina, as provided herein, terminate or modify the Easement created by this Easement in accordance with applicable State law.

If the Easement is terminated and the Protected Property is sold then as required by Section 1 of 170A-14(g) (6) of the IRS regulations, the Grantor, the Grantee, NC ADFP Trust Fund shall be entitled to recover the proceeds of the conservation easement based on the appraised fair market value of the conservation easement at the time the easement is extinguished or terminated, subject to any applicable law which expressly provides for a different disposition of the proceeds. The grantor's percent is \_\_\_\_%, the Grantee's percent is \_\_\_\_% and NC ADFP Trust fund's percent is \_\_\_\_%.

- 6.6. Procedure in the Event of Condemnation or Eminent Domain. Grantor and Grantee recognize that the sale of this Easement, or any part thereof, gives rise to a property right, immediately vested in the Grantee with a fair market value equal to the proportionate value that the Easement bears to the value of the Protected Property prior to the restrictions imposed by the Easement. Accordingly, if any condemnation or eminent domain action shall be taken, on all or part of the Protected Property, by any authorized public authority, said authority shall be liable to the Grantee for the value of the property right vested in the Grantee at the time of the signing of this Easement. NCDA&CS must consent to any such condemnation action.

If condemnation or a taking by eminent domain of a part of the Protected Property or the entire Protected Property by a public authority renders it impossible to fulfill any of the conservation purposes of this Easement on all or part of the Protected Property, the Easement may be terminated through condemnation proceedings. If the Easement is terminated and any or all of the Protected Property is sold or taken for public use, then, as required by Section 1 of 170A-14(g) (6) of the IRS regulations, the Grantee shall be entitled to the proportionate value of the Easement, which has been predetermined as the Protected Property's unrestricted value, subject to any applicable law which expressly requires for a different disposition of the proceeds. The Grantee shall use its proceeds consistently with the general conservation purposes of this Easement.

If this Easement is extinguished or terminated, the Grantor, the Grantee, and NC ADFP Trust Fund shall receive their proportional share of the Easement value at the time of termination. The respective shares of the Grantor, the

Grantee, and NC ADFP Trust fund shall be proportionate to the percentage of their original investment. The Grantor's percent is \_\_%, the Grantee's percent is \_\_\_\_% and NC ADFP Trust fund's percent is \_\_\_\_%.

All termination-related or condemnation-related expenses incurred by the Grantor, the Grantee, and NC ADFP Trust Fund shall be paid out of each parties respective proceeds prior to distribution of the net proceeds as described herein.
